

# Mohegan Sun's "Casino of the Wind"

## Opened August 29th, 2008

### Project Description

**DESCRIPTION:** The 64,000 square-foot Casino of the Wind is located adjacent to Casino of the Sky and features 45,000 square feet of new gaming space, a 16,000 square-foot Jimmy Buffett's Margaritaville restaurant and retail outlet and a 60-seat Chief's Deli quick-service food outlet.

**DESIGN FEATURES:** Drawing inspiration from solar phenomena, artistic representations of some of the Mohegan Tribe's most timeless traditions are highlighted, including the spirits of the four winds: north, south, east and west.

- In Tribal traditions, the power of wind harkens back to the Creation Story
- A 35-foot high, 50-foot wide electronic and animated water wall acts as an immense projection screen
- Feature bar is surrounded by a 35-foot stacked solid glass clad column and theme lights
- Customized chandeliers

**MARGARITAVILLE:** Jimmy Buffett's Margaritaville, a multi-level restaurant, takes diners from the woodlands of Connecticut to the warm beaches of the Florida Keys.

- 16,000 square feet, seating approximately 375
- Terrace overlooking the Thames River, making it the only venue with a waterfront view at Mohegan Sun
- Live music and video programming
- Retail outlet
- Décor includes tiki huts, palm trees, sailboats and marine life, as well as a 30-foot spinning waterspout and 8-foot tall giant blender
- Menu items include Cheeseburger in Paradise, Jamaica Mistaica Wings, Calypso Mahi Mahi and Key Lime Pie
- Jimmy Buffett's Margaritaville at Mohegan Sun is the only location in New England

**CHIEF'S DELI** The 2,600 square-foot quick-service restaurant returns to Mohegan Sun after a two year hiatus.

- Seating is available for 60 guests
- The walk-up restaurant features soups, salads, lox, grilled and cold sandwiches, desserts and a sandwich honoring late Mohegan Tribal Chief Ralph Sturges

**POKER:** Mohegan Sun introduces a 42-table poker room located at the rear of Casino of the Wind.

- Games including Omaha, Texas Hold'Em and Seven-Card Stud
- Over twenty-three 50-inch television screens are intricately placed throughout the room
- A step up from the main floor is a semi-private 7-table high limit poker area
- As part of Casino of the Wind's grand opening, one of the largest prize pools on the East Coast will be featured with Mohegan Sun's Super Stack Tournament on October 1st; the finals will be played from October 22nd through the 26th

**GAMING:** Casino of the Wind features 45,000 square feet of gaming space and compliments Mohegan Sun's current 300,000 square feet of gaming space.

- Over 650 new slot machines including new titles from slot manufacturers IGT, WMS, Bally and Aristocrat
- Approximately 28 additional table games have been added including 20 Blackjack tables, 1 ADA Blackjack (handicapped) table, 3 Craps tables and 4 Roulette tables.
