

Mohegan Sun Is The Place For High-Tech Meetings and Luxurious Retreats

The Convention Center at Mohegan Sun has become a major player in the meetings, conventions and expositions industry with more than 100,000 square feet of flexible, high-tech meeting and function space.

The luxury hotel at Mohegan Sun offers 1,200 spacious and elegantly-appointed guest rooms, including over 170 suites, to ensure that groups of all sizes are well accommodated. In between meetings, guests can relax in the hotel's dramatic lobby; 20,000 square-foot, full-service spa and fitness center; 10,000 square-foot solarium with indoor/outdoor swimming pool; outdoor sun terrace; and a snack & juice bar open from 11:00am – 10:00pm. As aesthetically exciting as it is luxurious, the hotel's design elements expand upon the Mohegan themes and traditions that echo throughout the multi-dimensional complex.

A Radiant Tower of Mohegan Hospitality

Like the rest of the Mohegan Sun complex, the exterior and interior of the 34-story hotel reflect Mohegan Tribal stories, traditions and designs as well as the Tribe's affinity with nature. The gleaming, crystalline tower pays homage to the natural materials the Mohegans used to fashion arrowheads and the ceremonial objects that acknowledged good spirits, such as rock and smoky quartz. Its glass curtain-wall system gently reflects the landscape, while the building's geometric shape and large windows provide panoramic views of the Thames River and surrounding New England countryside. The building's faceted form and exterior glass reflect the daily sun as well as its shifting light when the seasons change.

High Tech Meetings in the Mohegan Tradition

At Mohegan Sun, an expert staff of hospitality and meetings professionals is on-hand to ensure that meetings run smoothly and that attendees have the tools they need.

Mohegan Sun's Convention Center provides meeting facilities that are tailored to satisfy the highest industry standards in terms of scope, staffing and seating.

All meeting room dimensions are PCMA-certified, while seating ratios are in accordance with the Convention Industry Council's (CIC) criteria. The highest possible staff-to-attendee ratios are maintained to ensure the very best support and service for all events. A Destination Services department representative will also provide support to design and implement customized meetings. Through the Destination Services department, meeting and event planners may avail themselves of group excursions and golf tournaments, celebrity appearances, graphic design, registration staff and equipment, translation services, team building programs, film and video production with technical support and even gifts and specialty goods.

Meeting space at Mohegan Sun includes:

- The Uncas Ballroom with 38,000 square feet of space that is divisible into 10 separate meeting rooms. Its ceiling can accommodate over 300 unobtrusive rigging points for production flexibility.
- More than 30 conference and breakout rooms which can accommodate up to 5,300 people
- Over 14,000 square feet of pre-function space adjacent to the grand ballroom
- The outdoor sun terrace, with 17,500 square feet of space
- Two group registration desks, offices and storage areas for convenient, centralized operations

Steps from the hotel and convention center sit Mohegan Sun's 10,000-seat Arena, which can be transformed into 30,000 square feet of exhibition space.

In addition, a professionally-managed business center features individual workstations, the latest business technology and shipping and receiving services. The state-of-the-art facilities at Mohegan Sun also make it possible to segment blocks of guest rooms in order to broadcast video-feeds and allow two-way conferencing from guest rooms to meeting rooms. Intra-property video teleconferencing is another high-tech feature available.

A Commitment to Excellence

An advisory board of meeting and event planners from nationally-recognized associations, companies and suppliers has made certain that every aspect of Mohegan Sun's Convention Center fulfills the most taxing demands of today's meeting groups. The flexibility, size and high-tech features of the meeting space are a result of the collaboration of the advisory board.

In another precedent-setting initiative, Mohegan Sun also requires all convention services management staff to obtain either MPI's Certification in Meeting Management (CMM) or the Certified Meeting Professional (CMP) designation provided by the Convention Industry Council (CIC). Mohegan Sun will underwrite the application and examination fees associated with both credentials.

Lavish Accommodations, Inspiring Work Space

Guests can also conduct business within the privacy of their own rooms in the hotel at Mohegan Sun, where deluxe amenities and sweeping views of the New England countryside or Thames River make each stay a memorable one.

In addition to supreme comfort, each room offers a minimum of 450 square feet of space and the latest telecommunications technologies, including three two-line telephones with data ports; voice mail; web and email access; and ultra-fast T-1 Internet connections. Each room also has a full-size working desk area with an ergonomic chair; deluxe king or queen beds and linens; relaxing lounge chairs; marble bathrooms; video in-room dining menus and ordering, bill review and check out accessibility; and a state-of-the-art security entry system.

Suites range in size from 884 to over 3,500 square feet. Five suites have been expertly-designed to accommodate the needs of meeting attendees and provide a perfect environment for entertaining up to 100 people. These suites have a living room, large dining/meeting room, back service pantry/kitchen, full-service bar and a master bedroom with a deluxe bathroom.

A One-of-a-Kind Spa

Meeting attendees can rejuvenate at the 20,000 square-foot Elemis Spa at Mohegan Sun, housed on the third floor of Mohegan Sun's hotel. It offers a comprehensive range of treatments and services in its spacious suites, private treatment rooms, full-service hair and nail salon, state-of-the-art fitness center and separate aerobics room. The spa merges signature Elemis treatments with authentic Mohegan themes and design elements to give guests a highly unique spa experience.
